CDL Training Academy Update

March 5, 2007

Dear Brothers and Sisters:

On Monday, February 19th, the Teamsters Joint Council 42 Training Academy opened its doors for its first class.

The Academy is a 501 (C) 3 education corporation partnered with employers signatory to Teamster collective bargaining agreements and two non-profit organizations El Proyecto del Barrio, and PACE, lead agencies for our initial partnership and strategic goods movement training project.

- Teamster members who are aware of unemployed members, family or friends residing in the City of Los Angeles should refer them to the El Proyecto Worksource Business Service Representative Pavel Aspiazu at (818) 504-0334 or (818) 429-9304.
- Prospective students residing outside of the City of Los Angeles should call PACE at (213) 207-1349.

The four-week hands-on training is conducted at Teamsters Local 848 located at 3888 Cherry Avenue, Long Beach, CA 90807. This is a city and state funded project. Therefore, there is no cost for qualified students.

The following are general requirements for applicants prior to entering class:

Candidates must be 21 year of age. H6 Print Out, Class A Learner's Permit, High School Grad/GED, Current DOT Physical, Acceptable Work History. And, clear a Fingerprint Criminal Background Check & Drug test.

Interested? Please have prospective students call our worksource partners that are listed in this letter.

Sincerely and Fraternally,

Jim Santangelo, President
