

GET OUT THE VOTE ACTIVITIES

In order to defeat the hostile corporate and conservative power grab known as Proposition 32 we must step up our mobilization activity. With less than a week to go the polling shows that Prop 32 is dead even about 10% undecided. We are calling on our Stewards and member activists to get involved! We urge you to take the time to urge the members in the workplace to vote, participate in phone banks, attend a GOTV rally or walk precincts with us over the next week. We know that the Stewards are the backbone of the Union and we need your help!
