

The PROP 32  
ONE-TWO punch  
to knock us out:

Punch 1

Pass Prop 32 to weaken  
unions by silencing the voice  
of workers.

Punch 2

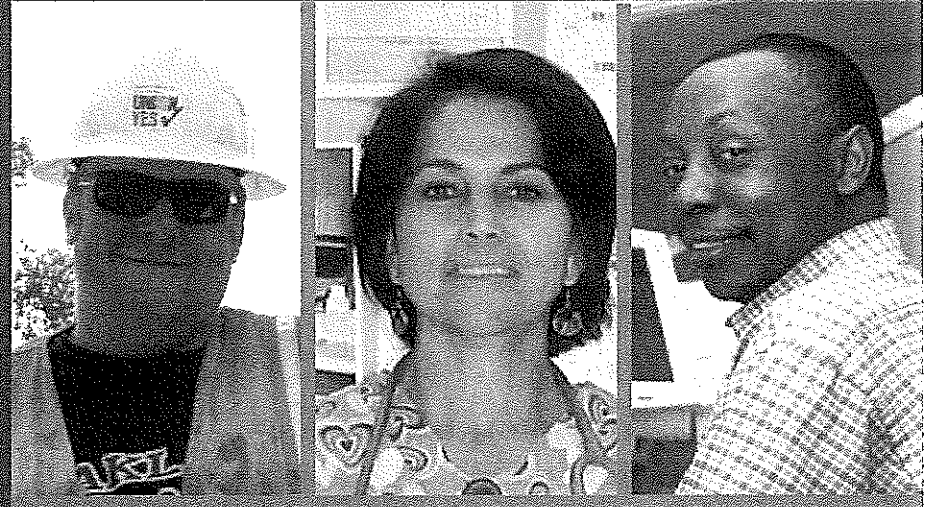

Pass anti-worker measures that  
threaten our jobs, overtime pay,  
pensions and even our right  
to have a union at all.

CAMPAIGN 2012: IMPORTANT UNION NOTICE

# PROP 32 Threatens our Jobs!

Prop 32 is  
a trick.

Anti-union millionaires say it's "campaign finance reform," but it's really a **one-two punch** to give **corporate CEOs even more power** to offshore jobs, cut pensions and reduce wages.

## The Truth Behind Prop 32

---

- Phony "reform" funded by anti-union millionaires and corporate executives
- 
- Prohibits union members from **fighting back** against corporate attacks on our retirement, wages and jobs
- 
- Full of exemptions for powerful corporate interests, Super PACs and billionaires
