

PROPOSITION 32:

ANTI-TEAMSTER & ANTI-AMERICAN

When attacked, we defend ourselves, but
**PROPOSITION 32 bans Teamsters from standing up against
Corporations and Wealthy Special Interests.**

PROPOSITION 32 threatens our ability to fight for our wages, pensions, healthcare benefits, and our right to collective bargaining.

PROPOSITION 32 gives more power to the corporations and Super PACs to spend money in politics and takes away our voice.

PROPOSITION 32 is a trick. It's not about fixing the broken system, it's really about attacking unions.

With no check on their influence, and no way for us to fight back, corporate lobbyists and corporations will work to pass laws that destroy Teamster pensions, and eliminate healthcare benefits that keep our families healthy and safe.

**TEAMSTERS STAND UP AND
FIGHT! WE DON'T LIE DOWN.
VOTE NO ON PROP. 32**
