New United States Secretary of Labor Hilda Solis is conducting a Town Hall meeting in Los Angeles Friday, April 24 and the focus is military veterans and job opportunities.

From 10 a.m. to noon at Union Station, 800 North Alameda St., downtown Los Angeles, the Secretary will hear direct from veterans on joblessness, poor jobs, home foreclosures, apprenticeship training and more.

Teamsters Joint Council 42 last year launched its own veterans' outreach program.
